CONSIDER THIS

In a few weeks, we will hold our White Creek Church Annual Business Meeting. Because we are a Church unaffiliated with any Denominational Entity, we have the responsibility of governing our own affairs, under the guidance and direction of the Holy Spirit of God. Because the Church has been organized and has functioned as a congregational Entity, it is the responsibility of every member to cooperate in governing the direction and goals of the Church according to the teachings of the Bible, the Word of God. The Church Board consists of officers elected by the congregation to act on behalf of the congregation, but the Board has no power apart from the congregation.

The Annual Meeting is, therefore, an important event, and we ask that all members prayerfully attend, after having prayerfully considered how the Lord desires that they utilize the gifts that God has given them, to help carry on the mission of the Church in our community. We ask, again, that each attendee consider God's call to become a member of White Creek Church, and that every member prayerfully consider the role in which God is calling you to serve. We cannot fully function as the Church - the Body of Christ - unless every one whom God calls is willing to answer and serve.

These days in which we live present an unprecedented challenge to our faith and perseverance. Will we hear and follow the call of God? Our mission has not changed since that day in 1870 when the Church was called to preach the Gospel of Jesus Christ to the World. The Saints of that day answered the call and we are called upon today to continue the mandate of carrying the Gospel to the world in which we live. There will never be a better time to renew YOUR commitment to the Lord Jesus Christ, through White Creek Church.

DISASTER RELIEF

Much of the devastation of Hurricane Helene took place in Western North Carolina. There are other areas that were hard hit, but that part of N.C. is not usually affected by Atlantic storms to this degree. Hurricane Milton has also brought devastation to a large part of Florida in the days following Helene.
