CONSIDER THIS

I wanted to preach today on the great moral issues of our day, the top ten problems facing America in 2025. Not wanting to be uninformed, I checked on the internet to see what those top ten issues are. This is what I found:

1. Healthcare
2. Climate Change
3. Income Inequality
4. Racial Injustice
5. Gun Violence
6. Immigration
7. Education
8. Mental Health
9. Opioid Epidemic
10. Political Polarization

It seems that our major problem is in recognizing the real root of our problems. While I might agree that this list presents some major challenges to our society, these are just symptoms of the real problem that has been lost in the spiritual confusion that is upon us. We will never solve any of these issues until we are ready to return to a right relationship with God, our Creator. The only solution is to go back to the Word of God, find what we have missed, and cry out to the Merciful One, in repentance and faith. He is the Only One Who can make things right, through the Lord and Savior, Jesus Christ. He is our Only Hope.

Life Chain

LIFE CHAIN is a peaceful, prayerful public witness of pro-life individuals standing in remembrance of at least 65 million lives lost to abortion, praying for our nation, for people in crisis situations and for a permanent end to abortion. It is a visual statement of solidarity by the Christian community that abortion kills children, hurts women and men, and that our Church supports the sanctity of human life from the moment of conception to natural death. Please become a link in this chain today at 1 P.M.
