MEN'S BIBLE STUDY

We are still studying the book of Matthew on Thursdays at 5:30 pm. We believe this study will help develop our walk with Christ, and encourage fellowship and leadership within the Body of Christ.

ADAMS COUNTY FAIR

White Creek Church has sponsored a commercial booth at the County Fair for many years. We give away literature and Bibles to any who will receive them. And speak of Jesus Christ to all who will listen. About three years ago we were asked to participate in a Sunday Morning Church service on the Midway. We have been invited back again every year since, and have the privilege of singing about Jesus and presenting the Gospel to fair-goers. We will again meet at 10 A.M. on August 24th at the Fairgrounds, and invite all of you to meet with us there, instead of here in White Creek. You will be blessed.

CONSIDER THIS

We had the opportunity to meet with Campers For Christ last week down in the Dells. It was good to meet and fellowship with believers from out of our area, as CFC tries to establish a Chapter in the Northern Midwest area, led by Marilyn Wellman. We had a great time of sharing and singing and devotion, and hope to see these new friends and fellow

Christians again in the future.

Beverly and I also had the privilege of singing at the Farmers' Market in Rome, Wisconsin again on Friday. We even saw a couple of Church members there, as we sang and visited with visitors from all over Wisconsin, and neighboring states. These forays into the secular world of campers and weekenders and people out to have a good time, seem to be the mission field the Lord has put before us.

I am looking forward to the County fair next month as another opportunity for the Church to reach out into the community around us with the positive message of the Gospel of Jesus Christ.

I read an article this week, which complained about the rising crime rate in Wisconsin. We have been bombarded with reports of corruption in government and businesses, all the way from the highest levels to the grassroots. Many believe that the cure for the corruption is to spend more money on education, law enforcement and various kinds of therapy. We know that the root problem is the sinful nature of mankind, and that none of the above is going to fix the problem. We also are discovering that "religion" is not the answer either! The religious systems of the world are as corrupt, or even more scandalous than the worldly organizations.

Where will we look to find the cure for all of this mess?

1Peter 4:17 says *"For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God?"*

The judgment of God is coming, and it will begin with those who claim to be the children of God. The only cure is the blood of Christ which cleanses us from sin and corruption. We must come to Him in faith, trusting in His promise of Eternal Life for all who believe. The alternative will not be pleasant. We have invited many to join us at Church to hear the Good News, but few have responded. This is why we have to take the message to the highways and byways, compelling them to come - not to a building, but to the Savior.
