ADAMS COUNTY FAIR

The Fair has concluded, and, as they say, "A good time was had by all." We are sorry we missed this week because of a family funeral, but we want to thank all of you who helped with the booth and attended the Sunday Service. The reports we have received were all favorable, and we look forward to being here next year at the Fair.

CONSIDER THIS

We have returned from our trip to the East Coast for a funeral service honoring my sister and brother-in-law. They were both believers in Jesus, and we will see them again in heaven, along with other family members who have departed this earth and entered their eternal home.

As we returned from this trip, we visited some places we had heard of, but had never been able to see. One was the ancestral home of my mother's side of the family, Cade's Cove, in Tennessee, it is a beautiful valley in the Smoky Mountains, which was an isolated home place to many families from the 1820's until the mid 1900's when the government formed the Smoky Mountain National Park. There are numerous old buildings still standing, including 3 Church buildings. These historic buildings are about the same age as the building we are sitting in today. I have to say that this one is in much better shape than any of those.

We also visited a famous highway in the area, called, "The Tail of The Dragon." This eleven mile stretch of highway boasts 318 curves as it winds through the mountains of eastern North Carolina and western Tennessee. It might have been more challenging on our motorcycle, but we had a great drive, as Beverly counted every curve. As beautiful as that area of the country is, there are places in our own county, here in Wisconsin, that are just as wonderful, well . . . except for the lack of mountains here.

We are happy to be home and are looking forward to the next challenges that the Lord will put before us. Thank you for carrying on with the ministry of White Creek Church while we were away. God has blessed us with a wonderful Church who love, care and support His work, here and around the world.
