CONSIDER THIS

I've been thinking about Spring. On Monday, I was sitting in my study when I heard a roar from outside. I looked out the window just in time to see a motorcycle thunder down the street. What a beautiful day to put on the gear and go for a ride! In my mind, I began to plan for the first ride of Spring, and the rest of the week I enjoyed warm memories of days gone by and a revival of anticipation for the adventures awaiting me. Then Friday dawned. Four inches of snow fell on the visions of warm sunny days. It's one thing to be caught on the road in a cold blustery storm, and quite another to be relegated to sofa, watching travelogs on TV.

Times such as these plague humanity, year after year. However, we have put our faith in the One who manages the storms, and we know that He will see us through. It seems that life is full of ups and downs, and we are learning so many things, including patience. The Lord allows these things to come for our benefit in the long run. That which we diligently learn here and now, has everlasting profit in eternity. As long as we are here, we are preparing for the future which will come before we know it. God's plan is that we prepare for all things to be new! The Bible tells us that we are becoming what God has designed us to be. Somebody said, "Be patient; God's not finished with me yet." there may be a storm or two yet, but God's perfect plan is in place for you, just over the horizon.
